A. HOW WE PROTECT YOUR PRIVACY AND DATA

Thank you registering as a member of the MYPOINT community panel.

1. We promise to protect your privacy and treat the information you give us as confidential.
2. The information you provide will only be used for research purposes.
3. We will not release your personal information to any third party without your consent.
4. We will never try to sell you anything and we will never sell your personal data to anyone. That is not our business. We are not telemarketers or direct marketers. We are market researchers interested only in your opinions and behaviour.
5. Your decision about registering as a member of the MYPOINT community panel, taking part in specific surveys or activities or discontinuing your membership of the MYPOINT community panel will be respected.

B. PURPOSE AND GENERAL PRINCIPLES RELATING TO THE PROTECTION OF YOUR PRIVACY AND DATA

Your privacy is important to us.

Market, survey and opinion research serves an important function in society. Businesses and governments make better decisions through survey research. As a survey participant, your opinions help companies develop new products, make existing ones better and improve customer service. Political organizations and governments also rely on survey research to advance laws and policies that the public wants or needs.

When you participate in MYPOINT community surveys, you can be assured that we will protect your privacy. Occasionally, we may contact you to validate your responses. We will never misrepresent ourselves or what we are doing.

We have developed a rigorous privacy policy that is set out in our [detailed privacy policy](#) in section C. Several associates of MYPOINT belong to the Southern African Market Research Association ("SAMRA"). SAMRA is a voluntary association of marketing researchers whose aim is to ensure professionalism amongst researchers and promote the effective use of marketing research by decision makers. SAMRA sets professional standards to which MYPOINT adheres, and which also protect your privacy.

If you have any privacy questions or concerns, please contact our Privacy Officer via e-mail at skleynhans@foneworx.co.za by telephone at 011 293 0000 or by mail PO Box 3386, Pinetown, 2123.
